

EASYCOLOR COMPACT RGBW/FC

art. 1620

Short description

OUT OF PRODUCTION EASYCOLOR COMPACT RGBW/FC is the newest version of battery powered and main supply wireless controlled colour changer.

With 12 powerful RGBW (6W) full color LEDs, this new version is more compact and easily transportable thanks to the practical handle. It replaces the EasyColor 12.

Our rechargeable li-ion battery pack fixture, is particularly suitable for events where set - up time is problematic, and the passage of cables is hard. IP 66 rating protection. Setup and configuration of the fixture by touch control panel.

- Standard fixture colour finishing is black. Optional grey and white (art. FX-COLOUR).
